About the Institution

Regent University is the nation's academic center for Christian thought and action, with a multitude of on-campus and online programs available worldwide. Our academic standards for both our graduate and undergraduate programs are high and our programs rigorous. But what sets Regent apart is our mission to prepare capable men and women to excel both in mind and spirit. Our students, faculty and administrators share a calling, founded on biblical principles, to make a significant difference in our communities, our cities, our nation and our world.

Leadership and Influence

When Dr. M.G. “Pat” Robertson established the university in 1978, he envisioned a high-caliber institution that would attract a leadership team brimming with superior professional experience and extraordinary academic credentials. In just three decades, that vision is being fulfilled. Distinguished faculty and guest lecturers include John Ashcroft, former U.S. Attorney General; Vern Clark, former Chief of Naval Operations; Steve Forbes, president and CEO of Forbes, Inc. and others.

Regent also exposes students to speakers who are front and center on some of the most important issues of our time. Nationally covered events such as Clash of the Titans®, The Ronald Reagan Symposium and Executive Leadership Series, allow students and the greater community to learn firsthand from major world and national leaders about today's most pressing issues.

The combination of committed leaders and diligent students has produced alumni who occupy strategic positions in a multitude of venues worldwide. They take seriously their call to lead and serve

others and excel in their professions, which include Virginia’s 71st Governor, Louisiana State Senator, National Middle School Principal of the Year, Hollywood screenwriters, National Milken Educator Award Winner and Assistant Secretary of Labor.

History and Location

The university was founded for the specific purpose of preparing leaders who would not only succeed in their professions, but also advance as Christians equipped to effectively impact their world. In 1977, CBN University was incorporated as a nonprofit educational institution in Virginia Beach, Virginia. In the fall of 1978, 77 students began classes in modest, rented facilities. By October 1989, CBN University had grown from a School of Communication and the Arts to seven professional schools with nearly 800 students. On January 1, 1990, in recognition of this growth, the Board of Trustees voted to change the name of CBN University to Regent University. The university has grown to over 10,000 students earning associate’s, bachelor’s, master’s, and doctoral degrees at our Virginia Beach campus or via online learning.

Academic Schools: Regent University is comprised of eight schools: Business and Leadership; Communication and the Arts; Divinity; Education; Government; Law; Psychology and Counseling; and the College of Arts and Sciences.

Regent's Vision - A Leading Global Christian University

From its inception, Regent University's focus has been on transforming the world. The motto of the school, *Christian Leadership to Change the World*, points to our desire to impact lives across the globe. Regent is accomplishing this vision by consistently delivering excellent, biblically grounded graduate and undergraduate programs both online and on campus in order to prepare Christian leaders for lives of significant purpose and service. With the university's stature as an institution of excellence ever increasing, we humbly but expectantly move to an even higher level of academic quality and global influence.

Mission

Regent University serves as a center of Christian thought and action to provide excellent education through a biblical perspective and global context equipping Christian leaders to change the world.

Vision

Our vision is to be the most influential, Christian, transformational university in the world.

These values are central to Regent and have guided it since its founding:
